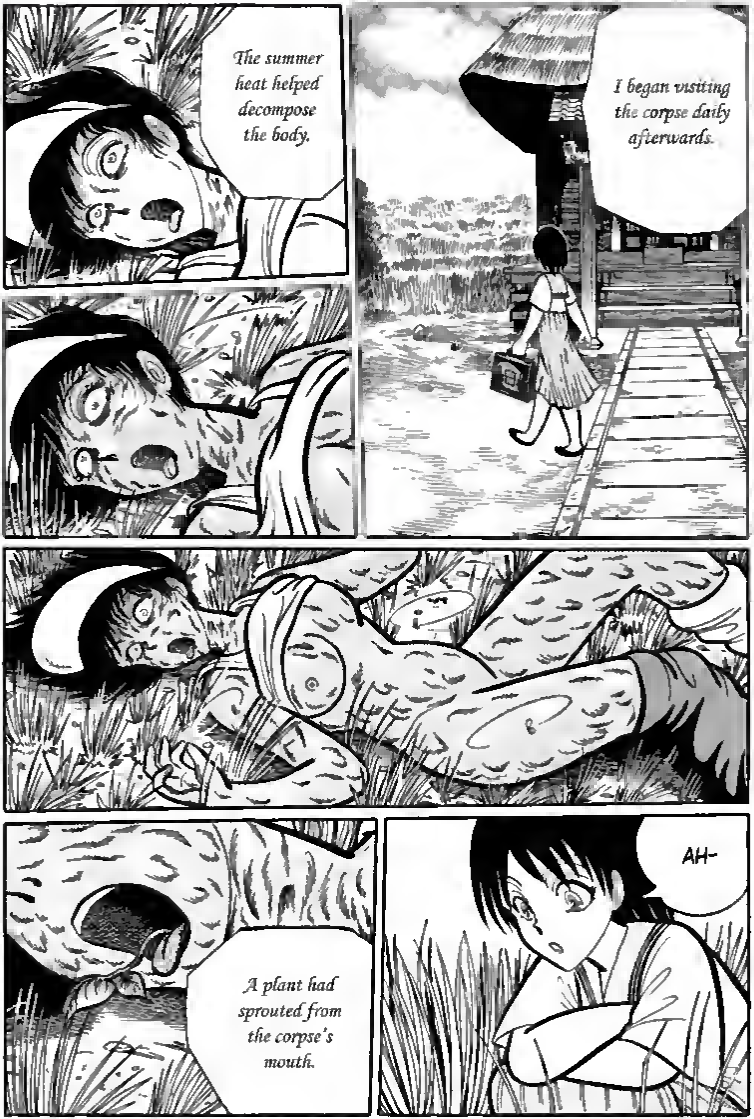
Feline Fruit

Yousuke Takahashi

It was a sweltering day.
I had skipped school that day and was wandering around.
ガサガサ…!

ガサ…
ガサ…

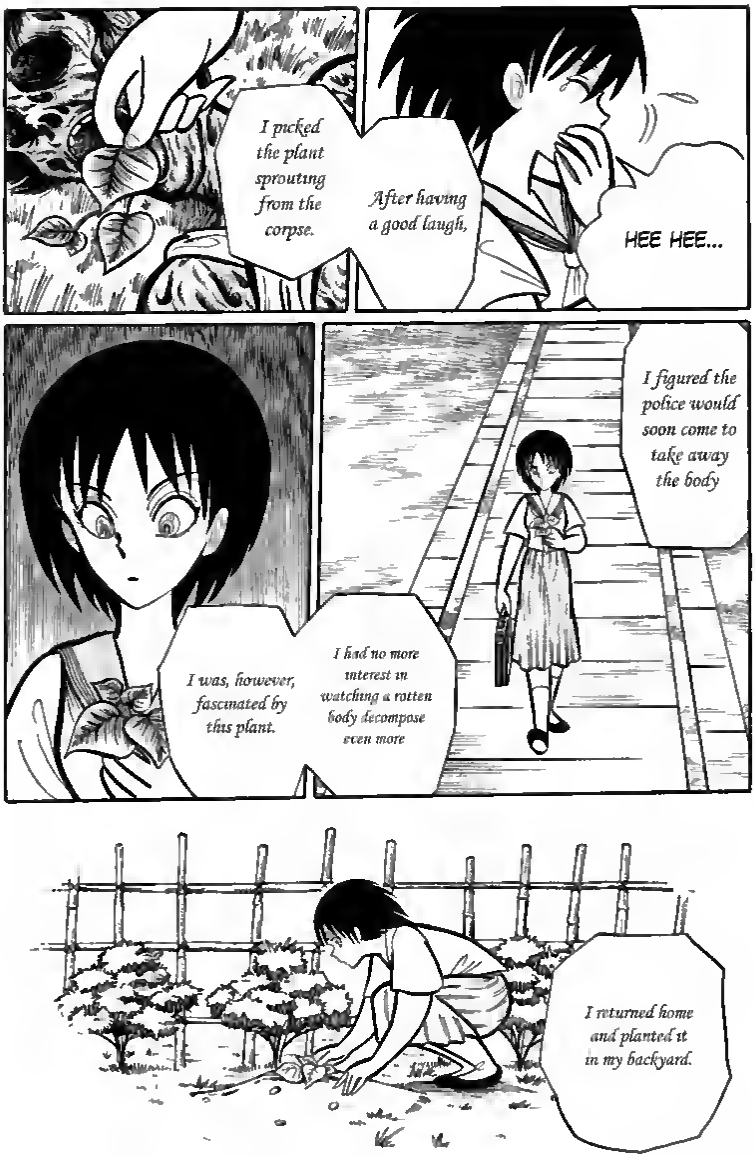
I wasn't scared at all.
It was my first time seeing a corpse
In fact, I felt calmer the more I looked at it.
I'LL COME BY AGAIN TOMORROW.
I spent quite a long time just staring at the corpse that day



The summer heat helped decompose the body.
I began visiting the corpse daily afterwards.
A plant had sprouted from the corpse's mouth.
AH-

UMM, FUTABA.
YOU'VE BEEN SKIPPING SCHOOL PRETTY FREQUENTLY THESE DAYS,
BUT WHERE ARE YOU ALWAYS GOING OFF TO? YOU WOULDN'T BE HANGING OUT WITH THE WRONG CROWD NOW, WOULD YOU? IF YOU'VE GOT ANY TROUBLES YOU CAN'T TELL A TEACHER, FEEL FREE TO TELL ME.
IT'S A STUDENT COUNCIL PRESIDENT'S JOB TO SERVE THE STUDENTS, NOT THE TEACHERS, AFTER ALL.
I WONDER WHAT KIND OF FLOWER WILL BLOOM FROM IT..?
I had known this idiot had feelings for me for some time now
UMMM... WHERE ARE YOU TAKING ME, FUTABA?

AGHHHHH!
AHAHA HAHA!
HAHA HAHA!
HEEHEE HEEHEE HEEHEE!
AGHHHH!
SOME-BODY! COME QUICK!



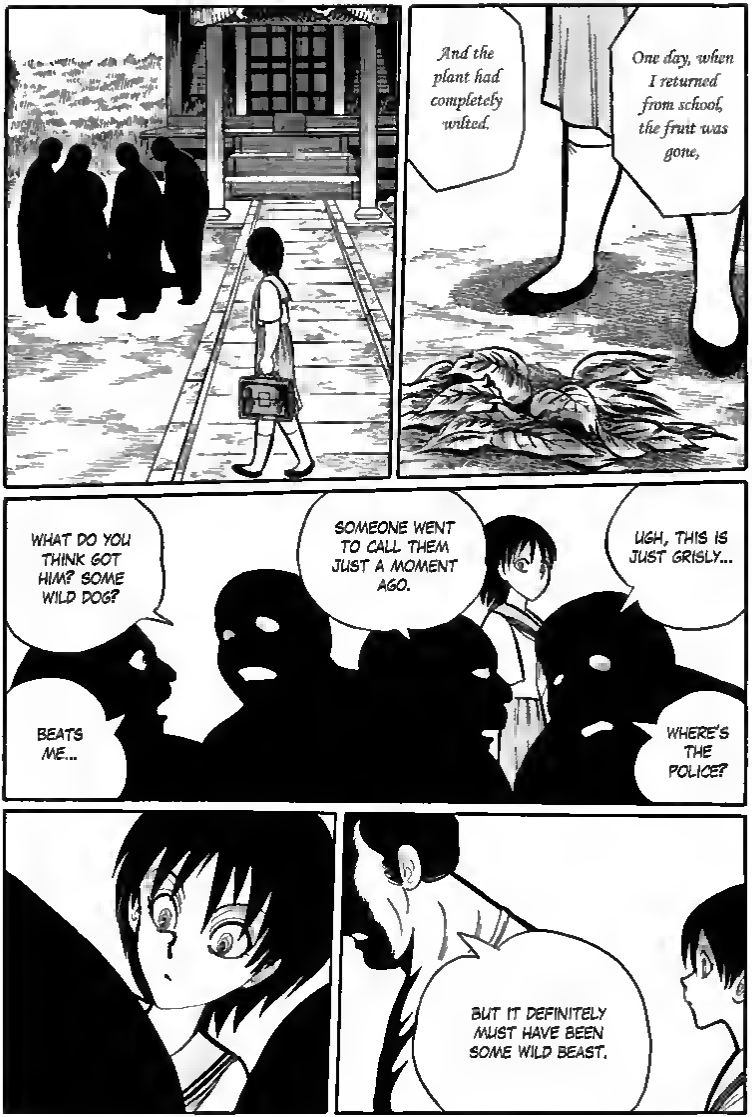
I picked the plant sprouting from the corpse.
After having a good laugh,
HEE HEE...
I figured the police would soon come to take away the body
I was, however, fascinated by this plant.
I had no more interest in watching a rotten body decompose even more
I returned home and planted it in my backyard.

IT'S STILL WILTING..
AH, THAT'S RIGHT.
SO IT MUST BE A PLANT THAT CAN ONLY GROW ON CORPSES
IT ORIGINALLY SPROUTED FROM A CORPSE,
ガブッ

I choked the stray cat to death and buried it,
So the plant could grow on top of it
My hunch was proven correct.

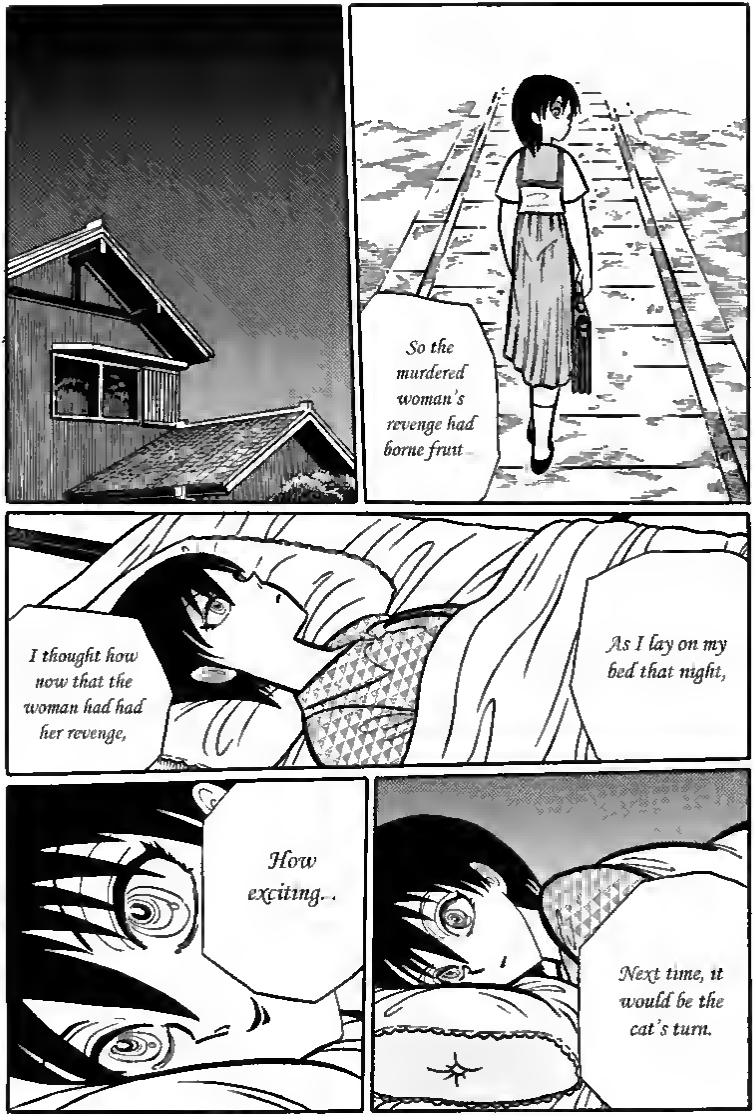
The plant grew vigorously.
And eventually bore fruit.
There was no flower.
The fruit grew larger and larger,

It began to resemble some fetus of a half-feline, half-humanoid animal.
It must be because I switched its nutrient source half-way
Oh...



And the plant had completely wilted.
One day, when I returned from school, the fruit was gone,
WHAT DO YOU THINK GOT HIM? SOME WILD DOG?
SOMEONE WENT TO CALL THEM JUST A MOMENT AGO.
UGH, THIS IS JUST GRISLY...
BEATS ME...
WHERE'S THE POLICE?
BUT IT DEFINITELY MUST HAVE BEEN SOME WILD BEAST.

It was
that man.



So the murdered woman's revenge had borne fruit
I thought how now that the woman had had her revenge,
As I lay on my bed that night,
How exciting. .
Next time, it would be the cat's turn.
